

FAST 2021 Annual Meeting

DFW Airport Hyatt Regency (near Terminal C)

June 18 – 19, 2021

Friday, June 18 – Fundamentals of OT

Registration begins at 1:00 and the meeting at 1:30.

The fundamentals of OT will be presented to help prepare the novice practitioner to return home and confidently offer fast OT in their clinic. These comprehensive sessions will provide experienced clinicians with information that will reinforce their current practices and suggest modifications that will help them improve their processes. Topics will include:

- Office preparation
- Patient selection
- Time out – OT is not for everyone
- Protocols
- Fast sources
- Office and home activities
- Managing reactions

We'll end Friday with a cocktail hour at 6 pm and a networking dinner buffet at 7 pm.

Saturday, June 19 – Advances in Fast OT

Following breakfast, included in your hotel stay, sessions will begin at 8:00 AM. Some of the topics include:

- Fast sources: Formulating low doses and conversions
- Infant & toddler OT
- Multi-fast OT
- Troubleshooting/pain discussions
 - o ECG management
 - o Reactions in excitation and maintenance
 - o Maintenance engines
 - o Expanding the scope of OT options (addressing these challenges, ultra-low dose)
- Protocol standardization
- Fast chemistry
- Dreamtime foods
- The use of biologics
- Parent and child anxiety
- Quality of life: before, during, and after OT
- Sustained unresponsiveness
- Future of OT (inviting representatives from AAAA, ACAA, and IAFE)

We'll finish up by 2 pm Saturday, so you can get from the airport hotel to your late afternoon/evening flight home.
